

2018 Junior Golf

Summer is quickly approaching and it is time to start thinking about Junior Golf. This year the Junior Golf Play days will again be on **THURSDAYS**. We will be conducting clinics the first two weeks of the program, but all play days will be held on **THURSDAYS**.

The program is offered to the children or grandchildren of Reflection Ridge golf members who are between the ages of 8 and 17 years old, and have an **ACTIVE GOLFING MEMBERSHIP**. To sign up, please fill out the application form and return to the pro-shop by MAY 1ST. The cost for the Junior Golf Program will be \$75.00 per child. Applications turned in after May 1st will be charged \$100.00. Please put only one child on each application. If you have two or more children, please fill out all information, make a copy, and fill in each additional name.

Lesson times will be given between 8:00am and 12:30pm, and will last for approximately one hour. The times in which your child will need to be here and how long they will stay will vary depending on whether they will be taking lessons or actually playing.

There will be a Junior Golf parents meeting on Thursday May 24th at 6:00pm in the clubhouse. Please make every effort to attend this meeting in order to help organize the weekly volunteers, walking assignments, and find out the times with which your child should be here. It is not necessary for the junior golfers to attend this meeting. It is required that a parent or grandparent walk a minimum of two (2) times **per child** during the course of the program. We do ask that you do not walk with your own child during the club championship.

PLEASE, PLEASE, PLEASE when placing your child in the program be objective as to their abilities. We have given you a guideline on the next page as to where your child should be playing. Be honest, we continue to have juniors trying to play 9 holes and not being able to keep up. This only frustrates your child along with the other kids trying to play.
