Thursday!!**

On behalf of the staff at Reflection Ridge we are happy to invite you to participate in this year's Men's Member-Guest golf tournament. The three days of golfing and social activities seem to always bring a sense of renewed friendships along with some spirited competition. Please note that we will be playing our first match on Thursday afternoon followed by our stag night dinner and live auction.

The competition for this year's event will again consist of a series of nine hole matches determined by a net best ball format. For those of you who have not participated in the member guest in the past, this format offers you a chance to play with five different teams over the course of the two days. Points will be awarded for winning a match, tying a match, winning a hole and tying a hole. There will be ten flights consisting of six teams per flight. A detailed itinerary, along with the scoring procedures and rules of play will be mailed to you with the acceptance of your entry. The entry fee for this year's event will remain \$500.00 per team with 60 teams being accepted.

APPLICATION PROCEDURE:

The Reflection Ridge Member-Guest event is our most highly anticipated Men's tournament of the year. The event is limited to 60 teams and our procedure is to let those teams who participated in the previous year have the first opportunity to compete again. All applications, including those who did not play last year, may turn in their entry forms thru April 15th. On April 16th we will count out 60 applications giving first priority to those who participated last year then for anyone who was placed on the previous year's waiting list. The remaining applications will be placed in a random draw to fill out the remaining 60 team field. There is no need to stand in line to hand in your applications. **All forms must be turned into the Pro-Shop only. No phone calls will be accepted. All forms must include guest's name and club/course affiliation. Please add your Guest's e-mail so we may send all information to them as well.**

A brief schedule is as follows:
