PEE-WEE
GOLF CAMP

Tired of trying to explain to your child why their brothers and sisters can attend junior golf, but they can't? Well, once again, we will be offering a Pee-Wee golf camp. Pee-Wee camp will be open to those kids who are under the age of eight; it will serve as a "pre-junior golf camp." This program is designed for the junior golfer that needs to learn the basics of golf. Our goal is to build a solid foundation, increasing interest in the game that they can draw upon as they get older and progress through our junior golf program. Lessons will cover the basics: Putting, Chipping, Full Swing, and basic golf course etiquette/behavior. The camp will be held the first four Saturdays in May from 11:00-12:00. The cost per student will be \$20.00. Registration can be done by calling the pro-shop @ 721-4653, sign-up deadline is April 30th. Any questions can be answered by contacting Riley or Kurt in the pro-shop.
